Sir,

I have the honor to state that one Mr Walker owns lands in the village of Marathahalli, Bangalore Taluk, Kendayam due by them for the year 1902-03 are in arrears. One of his holdings survey no 25 in the said village was forfeited and sold One Chinnappa purchased it for Rs 301 The land is a casurina plantation, on which there are 600 trees. Subsequent
goes to show that though the holding is registered in the khata of Mr Walker

it is a property of the Spinning and Manufacturing Company and on whose behalf the agent of the Company, Mr. Subba Rau Gopal was enjoying it, the kandayam being paid by the Company itself. As the Mill and its assets are under Government management, I beg that the kandayam due on the land in question viz Rs 8-8-0 be paid by Government and the land taken possession of by Government for manage-

A sum of Rs 1000/- has been granted by Government in their Proceedings No. Fl 2252-4 dated 19th June 1903, for the up keep of the Mill establishment. Out of this amount a small balance of Rs 39-12-1 is left and which is also required for

for the disbursement being for the mill establishment. I therefore beg to submit that the amount be debited to Government account.

2. The vernacular papers connected with the case are, herewith submitted.

I have the honor to be,
